## PHASE II: EXAMINATION

<b>POSITION:</b>	Researcher in Uranium Series dating
<b>REFERENCE:</b>	10/2023 SERIES DE URANIO
<b>AREA:</b>	RESEARCH
<b>PROCEDURE:</b>	Public call by public competition.

**Burgos, 28th November 2023**

**This document informs of the date on which the examination phase of this process will take place and the means by which it will be carried out:**

It will take place **on December, 12<sup>th</sup>, at 09:30h**, at CENIEH, placed in Paseo Sierra de Atapuerca, 3 09002 Burgos Spain (<https://www.cenieh.es/en/about-cenieh/how-to-find-us>), and it **must be taken in person**.

The exam will consist of a multiple-choice test, to be answered in 45 minutes. Blank or incorrect questions will not be penalized.

The exam will consist of the following topics:

- Geochronology and time in geology
- Quaternary
- Human evolution

**The result of this phase shall count for 60% of the total score.** As it is an eliminatory test, the **minimum score of 30 points is required to pass this phase.**

Once the eliminatory examination has taken place, the Selection Committee shall formalize a Provisional list with the scores obtained by the candidates, stating who will continue in the process for the competitive merits phase.

**That same day and the following one shall be available for the submission of any relevant claims about the results of this phase.**

Extending this communication as secretary for the appropriate effects, in the place and date indicated above.
